

## Family Missions:

Teaching the Gospel to Others

**Fellowshipping with other Christian Missionaries**

**Embracing Gods call to Serve the Needy Children**

**Teaching our Children to Have a Servants Heart**

## Changing Lives for Eternity

Having once served and protected the lives of President Bush (41) and Bush (43) as a Special Agent in the United State Secret Service, I have had many opportunities to travel around the United States and well as many foreign countries. I have witnessed firsthand how a handful of people can make a difference in the lives of others.

The East Coast Vision Quest trip I went on back in July 2009 with Pastor Huff and his team was one of the most rewarding trips I have ever participated in. I was able to serve alongside high school students who had a heart for the Lord and the courage to minister to those least fortunate. My own daughter and many of her friends made memories for me that will last a lifetime.

The members of our team will also have memories that will be with us forever. If you or members of your church or school are looking for a trip that blends mission work, history and fun together, than this East Coast Vision Quest is the trip for you. Without a doubt, it will be the nine best days of your summer as you feel the hand of God working through you.

## 2010 Mission Opportunities

MCCA will be hosting Summer Mission trips this year for youth groups and adults interested in serving the Lord through inner-city missions work. If you are interested in finding out more about these and other outreach opportunities please give us a call at 414-507-0577.

## A Fresh Start to a New Decade!

Dear Friends,

What a great way to finish the decade and begin a new one this month. Over the past four years the Minority Christian Coaches Association (MCCA) has been serving the youth and families of Milwaukee at our 68th and Fond du Lac office.

MCCA has had great success with the growth of some of our key programs like Team Fitness; after-school wellness classes now serving over 4,000 youth, Vision Quest: summer college and cross-country mission experiences for urban and suburban teens and the Gifts of Love; our Christmas toy drive that reaches out to our neediest families during the holidays.

God never seems to have an end to the potential outreach there is for MCCA's ministry to families in the greater Milwaukee area. We have great hopes for the new decade and we believe MCCA will have a greater impact as we announce our move to our new location at the Holton Youth Center at 510 East Burleigh Street effective February 2010. The move comes with great anticipation and much enthusiasm for the potential new partnerships that can be forged at our new home base.

As we embark on this adventure MCCA hopes to see our programs at the Holton Youth Center up and running by mid February. Some of the programs we will offer at the center will be the Work Ready Certification workshops, Team Fitness classes, Sisters of Esther girls mentor program and the Sons of David boys mentor program. Any agency wishing to partner with these programs should give us a call at 414-507-0577.

Also, MCCA would like to thank all of our year end givers for supporting the Year End Gifting match program. Thanks to your generous gifts MCCA was able to finish the fourth quarter strong and have an over flow to get us through our first quarter in 2010.

Thank you for believing in our vision.

Sincerely,

Rafeal Andrews  
MCCA President

To view some of our program clips and video highlights.

## Our New Home

As of February 1st MCCA will be housed at the Holton Youth Center located on the corner of Burleigh and Holton street on Milwaukee's northeast side. This move comes with great hopes for new strategic partnerships and our plans to help serve the needs of the children and families living in the surrounding neighborhoods. For more information about what programs MCCA will offer at the Holton Youth Center please feel free to call our program coordinator Tommie Williams at 414-708-0809.

## Annual Report

The 2010 Leaders In Action annual report will be ready for print in the next few weeks and with it MCCA will be revealing our new 5-year Strategic Plan. If you are interested in having one sent to your mailing address, please email us at [mccasports@yahoo.com](mailto:mccasports@yahoo.com) by February 19th so we can include you in our bulk mailing the week of February 22.

## Matching Gifts

Thanks to your generous gifts in the month of December MCCA was able to raise \$51,000 in matching funds which was leveraged by a anonymous gift of \$25,000. We would like to thank all of you for these year end gifts, especially in this current economic crisis we are facing. It's only through your support we can continue the work we do to impact the city of Milwaukee for the Lord Jesus Christ.

## Open House

Please join us at our Open House March 3rd as we review the new 2010 Leader In Action annual report and our 5-year Strategic Plan.

Event: **Open House**  
Date: **March 17th**
